SECOND HAND NEWS

Words and Music by Lindsey Buckingham

I know there's nothin' to say.
Someone has taken my place.
When times go bad, when times go rough
Won't you lay me down in the tall grass and
Let me do my stuff.
I know I got nothin' on you.
I know there's nothin' to do.
When times go bad and you can't get enough;
Won't you lay me down in the tall grass and
Let me do my stuff.
One thing, I think you should know,
I ain't gonna miss you when you go.
Been down so long, I've been tossed around enough.
Oh, couldn't you just let me go down, and do my stuff.
I know you're hopin' to find someone who's gonna give
You peace of mind.
When times go bad, when times go rough;
Won't you lay me down in the tall grass and
Let me do my stuff.
I'm just second-hand news. I'm just second-hand news.
Yeah. I'm just second-hand news.

DREAMS

Words and Music by Stevie Nicks

Now here you go again, you say you want your freedom.
Well, who am I to keep you down?
It's only right that you should play the way you feel it.
But listen carefully to the sound of your loneliness.
Like a heart beat drives you mad in the stillness of
Remembering what you had. And what you lost.
And what you had. And what you lost.
Oh, thunder only happens when it's rainin'.
Players only love you when they're playin'.
Say, women, they will come and they will go.
When the rain washes you clean you'll know. You'll know.
Now here I go again, I see the crystal visions.
I keep my visions to myself.
It's only me who wants to wrap around your dreams.
And, have you any dreams you'd like to sell?
Dreams of loneliness.
Like a heart beat drives you mad in the stillness of
Remembering what you had. And what you lost.
And what you had. And what you lost.
Oh, thunder only happens when it's rainin'.
Players only love you when they're playin'.
Say, women, they will come and they will go.
When the rain washes you clean you'll know.
You'll know. Oh, thunder only happens when it's rainin'.
Players only love you when they're playin'.
Say, women, they will come and they will go.
When the rain washes you clean you'll know. You'll know.

NEVER GOING BACK AGAIN

Words and Music by Lindsey Buckingham

She broke down and let me in. Made me see where I've been.
Been down one time, been down two times.
I'm never going back again. Mmm. Mmm
Been down one time, been down two times.
You don't know what it means to win.
Come down and see me again.
Been down one time, been down two times.
I'm never going back again. Mmm. Mmm.

DON'T STOP

Words and Music by Christine McVie

If you wake up and don't want to smile,
If it takes just a little while, open your eyes and look at the day;
You'll see things in a different way.
Don't stop thinking about tomorrow.
Don't stop, it'll soon be here, it'll be better than before.
Yesterday's gone, yesterday's gone.
Why not think about times to come and not about
The things that you've done.
If your life was bad to you, just think what tomorrow will do.
Don't stop thinking about tomorrow.
Don't stop, it'll soon be here, it'll be better than before.
Yesterday's gone, yesterday's gone.
All I want is to see you smile.
If it takes just a little while, I know you don't believe that it's true,
I never meant any harm to you.
Don't stop thinking about tomorrow.
Don't stop, it'll soon be here, it'll be better than before.
Yesterday's gone, yesterday's gone.
Don't stop thinking about tomorrow.
Don't stop, it'll soon be here, it'll be better than before.
Yesterday's gone, yesterday's gone.
Ooo, don't you look back. Ooo, don't you look back.

GO YOUR OWN WAY

Words and Music by Lindsey Buckingham

Loving you isn't the right thing to do.
How can I ever change things that I feel?
If I could maybe I'd give you my world.
How can I when you won't take it from me.
You can go your own way, go your own way.
You can call it another lonely day.
You can go your own way, go your own way.
Tell me why ev'rything turned around.
Packing up, shacking up is all you wanna do.
If I could baby, I'd give you my world.
Open up ev'rything's waiting for you.
You can go your own way, go your own way.
You can call it another lonely day.
You can go your own way, go your own way.
You can go your own way, go your own way.

SONGBIRD

Words and Music by Christine McVie

For you there'll be no more crying.
For you the sun will be shining.
And I feel that when I'm with you it's alright.
I know it's right. To you I'll give the world.
To you I'll never be cold 'cause I feel that when I'm with you
It's alright. I know it's right.
And the song birds are singing like they know the score.
And I love you, I love you, I love you like never before.
And I wish you all the love in the world.
But most of all I wish it from myself.
And the song birds keep singing like they know the score.
And I love you, I love you, I love you like never before.
Like never before. Like never before.

THE CHAIN

Words and Music by Lindsey Buckingham, Christine McVie, Stevie Nicks, Mick Fleetwood and John McVie

Listen to the wind blow, watch the sun rise,
Run in the shadows, damn your love, damn your lies.
And if you don't love me now, you will never love me again.
I can still hear you saying you would never break the chain.
And if you don't love me now, you will never love me again.
I can still hear you saying you would never break the chain.
(Never break the chain.) Listen to the wind blow,
Down comes the night. Run in the shadows, damn your love,
Damn your lies. Damn the dark, damn the light.
And if you don't love me now, you will never love me again.
I can still hear you saying you would never break the chain.
Yeah, keep us together, run in the shadows.

YOU MAKE LOVING FUN

Words and Music by Christine McVie

Sweet, wonderful you.
You make me happy with the things you do.
Oh, can it be so? This feeling follows me wherever I go.
I never did believe in miracles.
But I've a feeling it's time to try.
I never did believe in the ways of magic.
But I'm beginning to wonder why.
Don't, don't break the spell.
It would be dif'rent and you know it will.
You, you make lovin' fun.
And I don't have to tell you you're the only one.
Ooo, you make lovin' fun. Ooo, you make lovin' fun.

I DON'T WANT TO KNOW

Words and Music by Stevie Nicks

I don't want to know the reasons why love
Just keeps right on walking on down the line.
I don't want to stand 'tween you and love honey,
I just want you to feel fine.
I don't want to know the reasons why love
Just keeps right on walking on down the line.
I don't want to stand 'tween you and love,
Honey I just want you to feel fine.
Finally baby, the truth has come down now,
Take a listen to your spirit.
It's cryin' out loud tryin' to believe.
Oh, you say you love me but you don't know,
You got me rockin' and a reelin'. Oh, yeah, Ah.
I don't want to know the reasons why love
Just keeps right on walking on down the line.
I don't want to stand 'tween you and love honey,
I just want you to feel fine.
I don't want to know the reasons why love
Just keeps right on walking on down the line.
I don't want to stand 'tween you and love,
Honey I just want you to feel fine.
Finally baby, the truth has been told;
Now you tell me that I'm crazy.
It's nothin' that I didn't know
Tryin' to survive. Oh, you say you love me
But you don't know, you got me rockin' and a reelin'.
Oh, yeah, ah. I don't want to know the reasons why love
Just keeps right on walking on down the line.
I don't want to stand 'tween you and love honey,
Take a little time. I, I don't want to know.

Oh daddy, you know you make me cry.
How can you love me? I don't understand why.
Oh daddy, if I can make you see,
If there's been a fool around it's got to be me.
Yes, it's got to be me.

GOLD DUST WOMAN

Words and Music by Stevie Nicks

Rock on gold dust woman.
Take your silver spoon; dig your grave.
Heartless challenge, pick your path, and I'll pray.
Wake up in the morning see your sunrise,
Loves to go down. Lousey lovers,
Pick their prey, but they never cry out loud.
Cry out. Well, did she make you cry,
Make you break down, shatter your illusions of love?
And is it over now? Do you know how?
Pick up the pieces and go home.
Rock on and ancient queen;
Follow those who pale in your shadow.
Rulers make bad lovers.
You better put your kingdom up for sale, up for sale.
Well, did she make you cry, make you break down,
Shatter your illusions of love?
And is it over now? Do you know how?
Pick up the pieces and go home. And go home.
And go home.
